# RÉSUMÉ

## SUMMARY

A self-driven renaissance man with many creative talents and skills is reentering the workforce after 10+ year hiatus due to disease, disability, family obligations and social circumstances.

## EXPERIENCE

- ❖ ~5 years custom wood window and door manufacturing: German (metric) to English (foot-inch) CAD shop drawings, product support, construction management.
- ❖ ~5 years architectural design, drafting and construction documentation: commercial, industrial and residential.
- ❖ ~30+ years mainframe-to-handheld computer and software operations, bare metal builds and networking.
- ❖ Day One WWW design and website development.

## SKILLS

- ❖ Computer Aided Design (CAD) and drafting.
- ❖ Graphic arts: sketching, paint and vector art programs.
- ❖ Music composition, song writing and performance.
- ❖ Writing.
- ❖ HTML, CSS, Sass, JavaScript, VBScript, ASP, PHP, C#, ASP.NET C#, Bootstrap, T-SQL, MS-SQL Server, MySQL, NodeJS, ElectronJS, VSCode, Page Builders etc.
- ❖ Wood, metal, plastics, casting resins, prototype product design and development.
- ❖ Near Field Communication (NFC) wireless connectivity.
